Each judge gives **1-20 points with half points** for the following criteria: Three judges will judge each class independently of each other and without catalog, giving points for the following criteria: Type (breed and gender), Head & Neck, Body & Topline, Legs, Movement (walk and trot).

Rules for Ties in Qualifying Places

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. Failing a decision on either of these, one judge chosen by ballot will name his preference.

Qualification

1st to 5th placed horses are qualified for the World Championships, the All Nations Cup, the European Championship, the Middle East Championships and the Dubai International Gulf Championships. **The 1st to 5th** placed horses are qualified to take part in an A-Show, where there is qualification required.

Rules for Championships

1. Championships will be judged as follows:
 - a) The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
 - b) The first placed horses will be judged individually, standing and trotting.
 - c) The judges will not discuss the horses.
 - d) The Champion Gold medal winner is selected from amongst the horses placed first in their class by individual written votes from each judge. The best placed horse will be Champion Gold medal winner. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

2. The Silver medal winner will be selected in the same way as the Gold medalist from all other horses that have qualified for the Championship.
3. The Bronze medal winner will be selected using the same system used to select the Silver medalist. The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.
4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but not be entitled to enter the Championship.
